

General notes

THE TWJ FOUNDATION

The Trustees of the TWJ Foundation invite applications
for

TWO OTOLOGICAL TRAVELLING FELLOWSHIPS

To enable the holders to visit two or more Otological Centres in the United States of America, over a period of three weeks in 1978.

Applicants must be Fellows of one of the Royal Colleges of Surgeons and have been recently appointed as Consultant Otolaryngologists in the National Health Service.

Further details concerning applications should be obtained *now* from: The Trustees of the TWJ Foundation, 2 West Road, Guildford, Surrey.

The closing date for formal applications will be 13th August, 1977.

TEMPORAL BONE SURGICAL DISSECTION COURSE

THE Ear Research Institute announces a two-week Temporal Bone Surgical Dissection Course demonstrating the multiple approaches to the structures of the temporal bone as currently used by members of the Otologic Medical Group, Inc.

Each day the course members spend four hours in the dissection laboratory and four hours observing live colour telecasts of surgery which correlates with the dissection of the day. Evenings are devoted to lectures illustrated by slides and motion picture demonstrations. Video tapes in colour from the Institute's Otologic Seminar Library are available for study by course participants.

Twenty-four board certified or board eligible otolaryngologists and residents will be accepted in each course. Courses will be presented: 20 February–4 March, 3–15 April, 19 June–1 July, 24 July–5 August, 23 October–4 November, 1977. The tuition fee for otolaryngologists is \$1,200 and for residents \$900 in United States currency. Applications of residents must be accompanied by a letter from their Chief of Service.

For further information address communications to: Malcolm D. Graham, M.D., Ear Research Institute, 256 South Lake Street, Los Angeles, CA 90057.
