

In Appreciation

Society thanks White and Hawk for dedicated service

President-Elect Elton Kaufmann (left) presents 1984 MRS President Woody White with a desk set at the MRS Council Meeting, November 30, 1984.

“In appreciation of his vision and guidance of the Society and his work throughout 1984 that has positioned MRS as one of the most dynamic technical societies in the world.”

President Woody White presents Ernest Hawk with a certificate during the 1984 Fall Meeting.

“In recognition of his contributions in serving the Society as its first Executive Secretary from its inception through 1983.”
