## THE LIFE OF JESUS CHRIST

by

DR. FRANZ MICHEL WILLAM

*Translated and Adapted into English from the Fourth Revised and  
Enlarged German Edition*

Edited by

NEWTON THOMPSON, S.T.D.

"It would certainly be impossible to read this life without gaining a deeper knowledge and more intelligent understanding of the Gospels."  
*The Downside Review*

"Invaluable to the clergy for its abundant pen pictures and descriptive illustrations so useful in sermons."  
*The Oscotian*

"One cannot read this Life without having one's whole horizon broadened. One sees Our Lord in the midst of a living people, and that people in the midst of a living Empire. One goes back to the Gospel narrative with the mind equipped for a much broader understanding of its contents."

*Archbishop Goodier in the Catholic Herald*

# READINGS FROM THE LIFE OF THE SPIRIT

## THE CHRISTIAN VISION

The first numbers of *The Life of the Spirit* appeared in 1946 as a supplement to *Blackfriars*. In the following year *The Life of the Spirit* appeared for the first time as a separate monthly, but it is to celebrate the tenth anniversary of its original foundation that this anthology is published. During the last decade *The Life of the Spirit* has become well known as the only journal published in this country wholly concerned with the spiritual life, and many of the contributions which have appeared are worthy of a greater permanence. Here is a rich selection of the best articles—biblical, liturgical and mystical; articles on the religious life; articles on the lay life; texts from the Fathers; articles on saints and saintly people, etc.

'... *The Life of the Spirit* is one of the best of English Catholic reviews for it helps to remove us from the clamour of everyday living and prepares our mind and heart for those things which are eternal. So many good, and in some cases even some really great, writings have appeared in *The Life* in the first ten years of its existence that it is no matter for surprise that the publishers should now decide to publish a series of readings drawn from the whole range of the first ten volumes. The editor has done her work admirably and here we have a rich and varied selection of spiritual writings, a veritable bedside book of inspiration, wisdom and consolation.'

*Cork Examiner*

18s.

## THE PRIEST OF THE PEOPLE

Originally published as a Double Number of *The Life of the Spirit*, we are now, in response to many requests, re-publishing this most valuable symposium on the spirituality of the priesthood in a more permanent form.

'This paper-covered booklet of 95 pages is more important than its size, format, even its price, might suggest. It is a reprint of a double number of *The Life of the Spirit* published in 1951, consisting of seven papers: The Priesthood and Contemplation, The Unchanging Priesthood, Ecclesiastical Obedience, Saying Mass with Devotion, The Sinner, Martyr of Charity, and The Mother of the Priest.'
