**Higher Education** from Cambridge University Press

This text uses clear, accessible writing and contemporary political examples to explain where international law comes from, how actors decide whether to follow international law, and how international law is upheld using legal and political tools.

'Leslie Johns has written and compiled an international law casebook that is clear, accessible, and very timely. It will be easy to teach from and engaging for a wide range of students.'

Anne-Marie Slaughter – CEO, New America

- Explains legal concepts in simple, clear language and does not assume prior legal training, making the content accessible to a wide range of students
- Each chapter is framed by a case study that examines a contemporary political issue (like the bombing of Yemen or chemical weapons in Syria), allowing students to draw connections between theoretical concepts and real-world situations
- Each chapter is paired with multiple Supplemental Cases: judicial opinions that are introduced with background information, edited for clarity and length, and annotated for ease of reading. These let students explore concepts in depth without becoming overwhelmed by hundreds of pages of legal texts
- The book is modular: instructors can pick and choose which chapters to teach, since each is self-contained

LAW

## SHAPING INTERNATIONAL LAW IN TRANSFORMATIVE TIMES

GW Law has a vibrant international and comparative law (ICL) program, which offers over 50 specialized courses and enrolls students from more than 40 countries around the world.

Our faculty have presided over the American Society of International Law, and served as commissioners and judges of international commissions and courts. Our students have clerked for the Court of Justice of the European Union and have been fellows for the International Court of Justice.

At GW Law, our students obtain solid training on international legal theory and doctrine and learn how to put their knowledge to practical use.

For more information about the ICL program and multiple concentrations offered, visit <https://www.law.gwu.edu/international-comparative-law>.

## GO GLOBAL IN CHICAGO

LLM PROGRAM FOR INTERNATIONAL LAWYERS  
IMMERSION IN U.S. LAW • INTERNATIONAL LAW WITH FOCUS OPTION

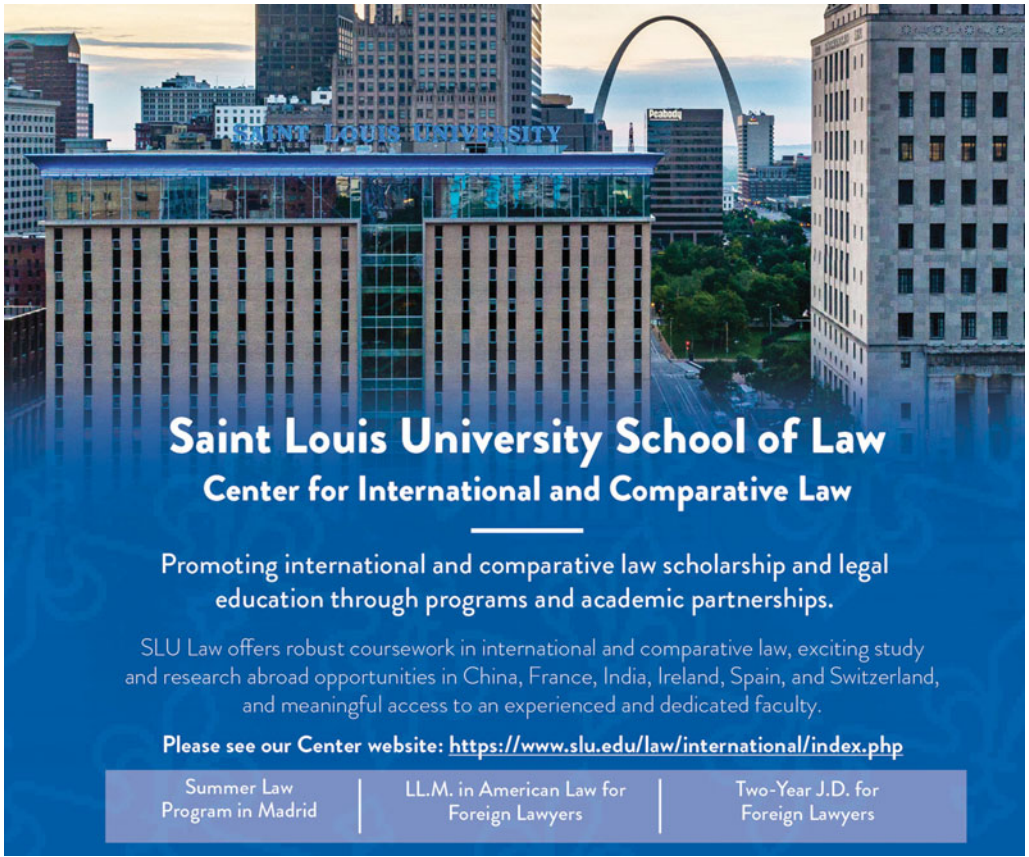

Advance your legal skills while enjoying a vibrant law school community in a world-class city. Loyola University Chicago's Master of Laws program for international students offers you the flexibility to study U.S. law or private and public international law. You may choose an additional focus in arbitration, mediation, and negotiation; business and tax; child and family; competition; health; human rights; intellectual property; and trade law—or design your focus specialty to match your interests and professional goals.

January and August enrollment. ESL on campus. Scholarship programs.

## International Law at Iowa

For the past 40 years, Iowa Law has had an International and Comparative Law Program. We offer the Advanced Standing JD, LL.M., S.J.D., as well as the traditional three-year JD. In any given year, nearly ten percent of our students are from outside the United States, and we host numerous international scholars for the semester or the year. Our library, one of the largest in an American law school, has over 1.4 million titles and continues to grow. Nearly one-third of our faculty are involved in the field of International and Comparative Law.

To learn more, contact Associate Dean Adrien Katherine Wing at [Adrien-wing@uiowa.edu](mailto:Adrien-wing@uiowa.edu).

**BOSTON COLLEGE | LAW**

## BYU LAW

## PRODUCING GLOBAL LAWYERS

BYU Law is committed to honoring the inherent dignity of all people, pursuing truth through both faith and intellect, and promoting lifelong service to God and neighbor. Our mission to serve and bless is global. Accordingly, our students and alumni are people of ideas and influence, and their force for good reaches around the world.

### GLOBAL INITIATIVES

#### LL.M. Program

Our LL.M. program—designed specifically for non-U.S. lawyers who intend to obtain the degree to enhance employment opportunities in their home countries—has graduated over 200 students from 47 countries.

#### International Externships

More than a third of students participate in international externships each year, introducing them to important legal markets throughout the world where they can further develop their professional lawyering skills and leverage foreign language abilities (73% of BYU Law students are bilingual).

#### International Center for Law & Religion Studies (ICLRS)

ICLRS at BYU Law is a global academic leader in the field of international religious freedom. Over the past 20 years, the Center has been involved in law reform in 57 countries.

#### Global Law Seminar

Semester-long international programs in Dubai, Geneva, London, and Mexico City offer students professional training through legal field placements combined with classroom instruction from BYU Law faculty.

#### Global Business Law Program (GBLP)

The GBLP develops solutions for the modern economy's most difficult challenges, using faculty and student research to design policy interventions for markets across the globe.
