A D V E R T

TRAINING COURSE ON INTERVIEWING AND BEHAVIOUR OBSERVATION.
Wednesday, Thursday and Friday 12th-13th and 14th November, 1975.

A training course on these topics will be held at the Institute of Psychiatry, de Crespigny Park, London, SE5 8AF. The course consisting of lectures, video-tape demonstrations and group discussions, will be given by the staff of the Clinical Section of the Psychology Dept., and by several outside speakers. It will cover direct observation principles of interviewing, processes within the interview, the sequential analysis of behaviour, the relationship between different measures of behaviour, etc. etc. Preference will be given to qualified clinical psychologists but probationers will also be accepted if space permits. The fee (non-residential but including coffee, lunch and tea) will be £12.

For further details of the programme and application forms apply to Mrs. P. Levine, Room 319, Psychology Dept., Institute of Psychiatry, by the 31st October, 1975.
