THE GOSPEL PRIESTHOOD

DOM HUBERT VAN ZELLER

'Exhilarating fervorinos fitting into the liturgical seasons addressed to all parochial clergy', is the description given by one priest of this book dealing with the pastoral vocation. The emphasis is all the time on the need for *holy* priests rather than just *more* priests in the world today.

“THAT THE CHURCH MAY SPREAD AND INCREASE: this is the intention for which we must offer our prayers and our labours”, says Pope Pius XII in his encyclical on the Mystical Body.

The work of the Mill Hill Fathers in Africa, India, the Far East and New Zealand, has this one aim. You can work with them for the spread of the Church by fostering vocations to the missionary priesthood.

Translated by Michael Mason

This book is a meditative attempt on the part of the author to work himself and his readers into the heart of the mystery of the Church—the Church in all the splendour of her perfections as realized in and through all the imperfections of her day-to-day existence on this earth.
