Slaves without Masters

The Free Negro in the Antebellum South

Ira Berlin

This book tells the story of the thousands of blacks who enjoyed freedom in the South before the Civil War. Ira Berlin examines the lives of the free black men and women, tells who they were, where they came from, and how they maintained and tried to expand their liberty within the grip of the slave system. 'This book rates with the best, for it combines careful scholarship, acute analysis, and an admirable historical imagination.' *New Republic*. £4.50

Interest Groups in the United States

Graham K. Wilson

Interest groups have often been thought to play a crucial role in American politics. Yet the evidence suggests that until recently groups representing key sectors of society such as businessmen, consumers, and farmers have been poorly organized. This book provides a comprehensive survey of American interest groups, and is particularly concerned with explaining the recent upsurge in interest group activity. £12.95 paperback £4.95

The Creation of the Anglo-American Alliance 1937–41

A Study in Competitive Co-operation

David Reynolds

The World War Two “special relationship” between Britain and the USA is a subject of endless interest and much mythology. This book investigates the gradual creation of the wartime alliance between Britain and the USA from mid-1937 to December 1941, concentrating on the period after Munich which was a crucial turning point in the shift of world power from Britain to the USA. The author argues that longer-term rivalries, for example over economic policy, were carried over into the alliance, producing a period of competitive co-operation.

“A very enlightening study of a very complex subject.”

NOTES FOR CONTRIBUTORS

- 1 All contributions and editorial correspondence should be sent to: The Editor, *Journal of American Studies*, School of English and American Studies, University of East Anglia, Norwich NR4 7TJ, England.
- 2 Articles should generally contain about 5,000 words. Longer or shorter articles, or articles in two or more parts, may be accepted by arrangement with the Editors.
- 3 Submission of an article is taken to imply that it has not previously been published, and is not being considered for publication elsewhere.
- 4 Contributions should be clearly typed in double spacing (including footnotes), preferably on A4 paper, with a wide left-hand margin. Diagrams, maps and illustrations may be included.
- 5 Spelling may conform either to British or American usage, providing it is consistent throughout.
- 6 Footnotes should be used sparingly: in general, to give sources of direct quotations, references to main authorities on disputable questions, and evidence relied on for a new or unusual conclusion. They should be numbered consecutively, and may most conveniently be placed, in double spacing, at the end of the article.
- 7 For guidance on matters of style, contributors should refer either to the *MLA Handbook* (1977), or to the *Journal of American Studies Style Notes*, copies of which may be obtained from the Editors.
- 8 Contributors should keep one copy of the typescript for correcting proofs.
- 9 Notes intended for the Editors or Printer should be on a separate sheet.
- 10 First proofs may be read and corrected by contributors provided that they can give the Editor an address through which they can be reached without delay and can guarantee to return the corrected proofs to the Editor, by airmail where necessary, within three days of receiving them.
- 11 Corrections should be kept to an absolute minimum. They should be confined to errors of the typist or printer unless the Editor authorizes otherwise.
- 12 Contributors of articles and review essays receive 25 free offprints. Extra copies may be ordered according to a scale of charges.
- 13 Contributors need not be members of the British Association for American Studies. Unsolicited typescripts can only be returned to overseas contributors who send International Reply Coupons (not postage stamps).
- 14 Contributors of accepted articles will be asked to assign their copyright, on certain conditions, to Cambridge University Press, to help protect their material, particularly in the USA.
