The author would like to correct a date in the below sentence:

For example, “Ahmet Yıldız is my family” is a statement that has been articulated multilingually by presumably gay men from various, mostly European, countries in a YouTube tribute video to Ahmet Yıldız, a twenty-six-year-old Kurdish gay man who was murdered in **2018** in Istanbul.

Should say:

For example, “Ahmet Yıldız is my family” is a statement that has been articulated multilingually by presumably gay men from various, mostly European, countries in a YouTube tribute video to Ahmet Yıldız, a twenty-six-year-old Kurdish gay man who was murdered in **2008** in Istanbul.

The author apologises for the error.
