PURPOSE AND FOCUS

The *Journal of Financial and Quantitative Analysis (JFQA)* is published quarterly in March, June, September, and December by the Graduate School of Business Administration, University of Washington, Seattle, Washington U.S.A.

The *JFQA* publishes theoretical and empirical research in financial economics. Topics include corporate finance, investments, capital and security markets, and quantitative methods of particular relevance to financial researchers.

Opinions expressed in the *JFQA* are those of the authors and do not necessarily reflect those of the Graduate School of Business Administration of the University of Washington.

For specific information concerning subscriptions, submissions, single-copy orders, missing issues, permission to reprint, or advertising, write to or call the *JFQA* office.

SUBMISSIONS

Manuscripts are to be sent in quadruplicate with a \$50.00 submission fee for subscribers (\$85.00 for nonsubscribers) to Professor Paul Malatesta, Managing Editor. To receive a style guide, write to or call the *JFQA* office.

SUBSCRIPTIONS

Subscriptions, which must be prepaid and renewed annually, start with the next available issue unless otherwise requested. VISA and MasterCard are accepted. Claims for missing issues must be made within six months of the date of publication.
