

THE BRITISH SOCIETY FOR THE HISTORY OF SCIENCE

Membership of the Society, which normally includes a subscription to *The British Journal for the History of Science*, is open to all persons approved by the Council of the Society and elected at an ordinary meeting. The annual subscription for the membership year 1989 is £17.00 (\$37.00) or £8.50 (\$18.50) for associate membership, which includes students at centres of higher education. There is an Introductory Offer for ordinary members who pay £12.00 (\$26.00) for the first year. Applications for membership should be made on a form which is available from the Society's Executive Secretary at the address below.

Meetings: The Society mounts an ambitious programme of meetings. The pattern is flexible, the only fixture being the three day summer meeting, held at a different British University or Polytechnic each year. About four other meetings, lasting for between one and three days, are held during the year, sometimes devoted to a clearly-defined theme or an important anniversary, and often arranged in conjunction with other scholarly societies.

The *British Journal for the History of Science* is the official organ of the Society. All correspondence on the contents of the *Journal* should be addressed to the Editor, Dr J.H. Brooke, Department of History, University of Lancaster, Lancaster LA1 4YG, England.

Books for review should be sent to the Reviews Editor, Dr John Hendry, 58 Canfield Gardens, London NW6 3EB.
