English for the Teacher

A language development course

Mary Spratt

English for the Teacher is designed to help teachers to improve their language ability for a number of purposes – using English in the classroom, making professional contacts, studying the teaching of English and discussions with colleagues and students.

- A short introduction for users explains the basic principles underlying the material
- Each unit focuses on a theme from the world of teaching
- Reading and listening texts are taken from a range of authentic sources
- The course provides opportunities for more general professional development and reflecting on issues in education.
