SUMMER SESSION IN ANALYSIS AND GEOMETRY

UNIVERSITY OF BRITISH COLUMBIA

JUNE 25 - AUGUST 17, 1962

The Department of Mathematics at the University of British Columbia, with financial assistance from the Canadian Mathematical Congress, is offering the advanced courses listed below. In addition, the Department expects to offer non-credit seminars in both Pure and Applied Mathematics.

ANALY SIS	Professor Mario Benedicty
	University of British Columbia
DIFFERENTIAL	Professor Shoshichi Kobayashi
GEOMETRY	University of British Columbia

The Canadian Mathematical Congress will pay full tuition fees to all properly qualified applicants and a grant for travelling expenses to such applicants in regular residence at Canadian universities or colleges outside B.C.

An application form and detailed description of the courses, together with preliminary reading lists, may be obtained from the Head of the Department of Mathematics at your university, or by writing to: Dr. C. A. Swanson, Department of Mathematics, University of British Columbia, Vancouver 8, Canada.

APPLICATIONS SHOULD REACH THE DEPARTMENT OF MATHEMATICS BEFORE MAY 1, 1962.
