## CONFERENCE THEME

**Re-Energizing Political Science Education: Innovations  
and New Opportunities**

We invite scholars to the American Political Science Association's 16th Teaching & Learning Conference (TLC) on February 10-12, 2023, in Baltimore, MD!

The 2023 APSA Teaching & Learning Conference focuses on promoting the scholarship of teaching and learning, equipping faculty with new techniques and resources for teaching, and enhancing the role of teaching in the discipline of political science.

The COVID-19 pandemic has taken a toll on the educational experience of students and teachers, exposing and widening pre-existing inequalities in higher education. As we navigate the post-COVID world and reimagine our classrooms, what are the lessons and innovations from the pandemic that faculty, colleges, and universities can continue integrating into political science education?
