SOCIETY OF ARCHITECTURAL HISTORIANS OF GREAT BRITAIN (SAHGB)

Founded 1956: incorporated 1964

The Society is an educational charity dedicated to furthering the knowledge of architectural history through advancing research, education and learning; disseminating that knowledge to public and professional audiences through programming, content production, support and publishing; and advocating for its members and the discipline in heritage, architectural and higher educational settings. It strives to demonstrate that a strong discipline of architectural history is a vital strand of the arts and humanities, enriches the promotion and celebration of built heritage and the historic environment for all, and is part of the bedrock of architectural education and practice.

The Society is focused on strengthening its position as the leading subject and professional association for architectural history and architectural historians in all their professional contexts, as well as the leading forum for lifelong learning. The Society wishes to continue to develop a diverse and sustainable membership that represents the discipline and practice of architectural history. This vision can be summarised clearly as 'All Places, All Periods, All Welcome'. Further information can be found at www.sahgb.org.uk
