<i>Secretary:</i>	W. R. BLOOM	School of Mathematical and Physical Sciences, Murdoch University, Murdoch, W.A. 6153
<i>Treasurer:</i>	V. G. HART	Department of Mathematics, University of Queensland, St. Lucia, Qld. 4067
<i>Associate Treasurer:</i>	D. G. TACON	School of Mathematics, University of New South Wales, Kensington, N.S.W. 2033
<i>Membership subscriptions (for 1982):</i>	Ordinary members: Reciprocal and junior members: Sustaining members: Institutional members:	A\$35 (or \$30 if paid before 1 January 1982) A\$17.50 (or \$15 if paid before 1 January 1982) A\$70 (or \$60 if paid before 1 January 1982) A\$290 (this includes all publications)

Reciprocity agreements: Such agreements have been made with a number of other mathematical societies. Under the agreements members of the other societies who are not normally resident in Australia may join the Australian Mathematical Society at half the current rates.

Membership and correspondence: Applications for membership, notice of change of address or title or position, and other correspondence, except as noted below, should be sent to the Secretary. Member's subscriptions and correspondence related to accounts should be sent to the Associate Treasurer. Correspondence about the distribution of the Society's GAZETTE, JOURNAL and BULLETIN, and orders for back numbers, should be sent to the Treasurer.

Members of the Society receive copies of the GAZETTE free, and may subscribe to any of the Society's research publications, the JOURNAL (Series A) for A\$15, the JOURNAL (Series B) for A\$10 and the BULLETIN for A\$14 (for the year 1982). For junior members the subscription rates are half those quoted.

OTHER PUBLICATIONS OF THE SOCIETY

The *JOURNAL SERIES B*. This series contains papers on applied mathematics. It is published in volumes comprising four parts, starting with Volume XIX Part 1, 1975. One volume will be published in 1982, the price to non-members being A\$68. Typescripts for publication should be sent to the Editor,

Associate Professor I. H. SLOAN,
School of Mathematics,
University of New South Wales,
Kensington, N.S.W. 2033, Australia

The *BULLETIN* of the Australian Mathematical Society began publication in 1969. It aims at quick publication of original research in all branches of mathematics. Normally two volumes of three parts are published annually. The cost to non-members in 1982 is A\$49 per volume. Each paper for publication should include an abstract and a 1980 Mathematics Subject Classification. Three copies of the typescript should be sent to the Editor.

Dr S. A. MORRIS,
Department of Mathematics,
La Trobe University,
Bundoora, Victoria 3083, Australia

The *GAZETTE* started publication in 1974 and carries news items, mathematical articles of general interest, and articles on tertiary mathematics teaching. The price to non-members for 1982 is A\$17. Typescripts for publication should be sent to the Editor,

Dr J. D. GRAY,
School of Mathematics,
University of New South Wales,
Kensington, N.S.W. 2033, Australia

THE JOURNAL

The Journal of the Australian Mathematical Society began publication in 1959, and from 1975 has appeared in two series, Series A (Pure Mathematics and Statistics) and Series B (Applied Mathematics). Information about Series B may be found on the inside back cover.

Series A, Pure Mathematics and Statistics

Submission of research papers in pure mathematics and mathematical statistics is invited. Authors intending to submit papers for publication should prepare the typescript following the instructions below, and should send two complete copies to the Editor, or to an appropriate Associate Editor (see back cover of this issue).

Two volumes of three parts each are planned for 1982. These are Volume 32 and Volume 33. The annual subscription price to non-members will be A\$54 per volume.

SUBMISSION OF TYPESCRIPTS

Two copies of mathematical papers intended for publication in the JOURNAL (Series A) should be addressed to one of the editors. Editors and the subjects associated with them follow:
