

INSTITUTE FOR THE STUDY OF THE USSR

The Institute for the Study of the USSR

is located in Munich, Germany, and has been engaged since 1950 in continuous research and publication on the Soviet Union. Its purpose is to study developments in the Soviet Union and to make the results of its studies available to persons and institutions everywhere.

Its Library

of more than 55,000 volumes is one of the richest specialized collections on the Soviet Union in Europe and is widely used by visiting researchers from all parts of the world.

Its Publications

include books, based on the results of research by staff members and by outside contributors, and periodicals, such as the monthly *Bulletin*, the quarterly *Studies on the Soviet Union* and the weekly *Analysis of Current Developments in the Soviet Union*. Periodicals are also published in Turkish, Arabic, Spanish, German and French and are mailed to more than 25,000 serious students of Soviet affairs throughout the world.

Its Activities

include an accredited summer school, international symposiums, conferences, study seminars and lectures by émigré scholars and other specialists on Soviet affairs.

Its Services

include furnishing information in response to requests from individuals and organizations and providing facilities for advanced resident research.

**POLITICAL RESEARCH
and POLITICAL THEORY**

Edited by Oliver Garceau

In these nine essays in honor of the late V. O. Key, Jr., nine distinguished scholars elucidate some of the major tendencies of political science today, especially in the areas to which Key contributed. Several themes recur in the essays, among them the application of comparative methods, the problems of scale in research design, and the uses of systematic and normative theory. \$7.95
