*A Canonical Model*

**John C. Peckham**

Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world. In this comprehensive canonical theology of divine love, John C. Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness.

Exploring Lesslie Newbigin's classic work, *The Gospel in a Pluralist Society*, these essays critically analyze the nature of Western pluralism and discuss the influence of Newbigin's work on the field of missiology. New Explorations in Theology
