The background of the advertisement is a dark, monochromatic image of several jellyfish. One large jellyfish is prominent in the upper center, with its bell and tentacles clearly visible. Other smaller jellyfish are scattered throughout the scene, some appearing as faint, ethereal shapes. The overall aesthetic is scientific and naturalistic.

Books and Journals from  
Cambridge University Press

Cambridge is one of the leading publishers in ecology and conservation biology and publishes high quality texts and research across the breadth of the life sciences, focusing particularly on animal behaviour, biological anthropology, evolutionary biology, computational and systems biology, as well as statistics and professional development titles for biologists.

We also have an extensive portfolio of established journals in agriculture, ecology and conservation, and animal science.
