GUEST EDITORIAL: Revised NIA-AA criteria for the diagnosis of Alzheimer's disease: a step forward but not yet ready for widespread clinical use – ERRATUM

Giovanni B. Frisoni, Bengt Winblad and John T. O'Brien

Published online by Cambridge University Press, 04 August 2011

doi: 10.1017/S1041610211001220

In the Guest Editorial by Frisoni *et al.* an element in Table 1 (in the right-hand section “Preclinical AD: theoretical stages”) contained a misprint. Stage 1 – neurodegeneration should have been indicated by a minus sign not a plus sign.
