

## CORRIGENDUM

Methods of Faience Manufacture in Antiquity: Investigation of Colorants and Technological Processes -  
**CORRIGENDUM**

Lesley Frame, Donna Bright DeSorda, Yuan-Chi Chang, and Pamela Vandiver

doi: 10.1557/opl.2011.927, Published by Materials Research Society, 20 June 2011.

In the original publication of Frame et al.[1], the numerical values in Figs. 1 and 2 on pp. 48-49 were not legible. The authors apologize to the readers and provide updated figures below.
