Policy

Phonology is concerned with all aspects of phonology and related disciplines. Preference is given to papers which make a substantial theoretical contribution, irrespective of the particular theoretical framework employed, but the submission of papers presenting new empirical data of general theoretical interest is also encouraged.

One of the three issues of a volume is occasionally devoted to a particular theme. The editors welcome proposals for themes and offers to act as guest editors for thematic issues.

Submission of papers

Submissions should be sent to the editors in PDF format, preferably by e-mail. The editorial addresses are: Colin J. Ewen, Opleiding Engels, Universiteit Leiden, Postbus 9515, 2300 RA Leiden, The Netherlands (EWEN@LET.LEIDENUNIV.NL); Ellen M. Kaisse, Department of Linguistics, University of Washington, Box 354340, Seattle, WA 98195-4340, U.S.A. (KAISSE@U.WASHINGTON.EDU).

An abstract (no longer than 150 words) should be e-mailed to both editors when the manuscript is submitted. The author's name should not appear on the paper itself, and, as far as possible, should not be identifiable from references in the text.

A full set of notes for contributors is published on pp. 559–562 of volume 25, and can also be found on the journal website.

The language of submission and publication is English.
