## *Acknowledgements*

Many people have helped immeasurably in preparing this volume. We wish especially to thank Carol Evans for her efficient and careful organizational and administrative work; Margaret Walker and Dianne Potter for help with that organization; and Arlene Thomas and Maggie Kohl for typing and related help.

Edrie Sobstyl prepared the bibliography, did the proofreading and organized the design work and Carol Sheehan provided advice on design.

Original art work for the cover was done by Alice Mansell and the cover design was done by Kris Twyman. Brenda Baker has provided support in a number of ways.

Finally, we wish to thank all of the contributors both for their excellent articles and for their help and advice along the way.
