

No. 23

June 1925

# MATHEMATICAL NOTES

A Review of Elementary Mathematics and Science

PUBLISHED BY THE

EDINBURGH

MATHEMATICAL SOCIETY

---

EDITED BY

PETER RAMSAY, M.A., B.Sc.

**Edinburgh :**

*Printed for the* EDINBURGH MATHEMATICAL SOCIETY *by*

LINDSAY & CO., 17 BLACKFRIARS STREET

1925

# CONTENTS.

---

|  | PAGE |
|--|------|
| Coordinates, Conics and Conjugate Points - - -   | 1    |
| JOHN DOUGALL, M.A., D.Sc.  |      |
| A Limit Proof of the Theorem Euc. III, 35 - - -  | 7    |
| G. D. C. STOKES, M.A., D.Sc.   |      |
| On Recurring Decimals - - - - -  | 8    |
| A. C. AITKEN, M.A.   |      |
| Note on a trigonometrical proof of the orthocentre property<br>of a triangle - - - - - | 11   |
| Professor H. W. TURNBULL, M.A.   |      |
| A Proof of Addition Theorem in Trigonometry - - -                                      | 12   |
| Professor R. J. T. BELL, M.A., D.Sc.   |      |
| Series summable as Arithmetical Progressions - - -                                     | 14   |
| A. A. KRISHNASWAMI AYYANGAR, M.A.  |      |
| Kepler's Law of Refraction - - - - -   | 15   |
| R. A. HOUSTOUN, M.A., Ph.D., D.Sc.   |      |

---

The Annual Subscription to the Edinburgh Mathematical Society is 10s. for ordinary members, who receive copies of *Mathematical Notes* and also of the *Proceedings* of the Society. Any desiring to become members should apply to the Hon. Sec., E. T. COPSON, B.A., F.R.S.E., Mathematical Department, Edinburgh University.
