Linacre Studies

Essays on the Life and Work
of Thomas Linacre
c.1460-1524

Edited by Francis Maddison,
Margaret Pelling and
Charles Webster

'This book, which contains twelve studies of Linacre's life and work, will be received with gratitude . . . it is to be hoped that more volumes of Linacre studies of a similar high standard of scholarship will follow.'
The Lancet. £12

**CURRENT WORK IN THE
HISTORY OF MEDICINE**

An International Bibliography

A quarterly subject list of current references to articles in periodicals throughout the world. A list of books published in each quarter is also included. A notable feature of this index is that authors' addresses are given so that reprints may be obtained direct.

Current work has been published regularly since January 1954 and is available on an annual subscription.
