

YOU HEAR THE CALL. YOU GET THERE FIRST.  
NOW YOU MIGHT JUST MAKE THE DIFFERENCE.

PHYSIO  
CONTROL

Now there's no reason *all* EMS units can't have the defibrillator they need. Introducing the LIFEPAK 500 AED. It's lightweight. It's easy to use. And you can afford to have one on every rig.

LIFEPAK defibrillators have been standard equipment for decades. And now with the LIFEPAK 500 automated external defibrillator there's one that's perfect for even more first responders. This unit is rugged, takes advantage of our proven technology and is virtually maintenance-free thanks to the 5-year lithium battery.

Now *whoever* gets there first can have the tools to make the difference.
