PATTERN DIVINE

OUR LORD'S HIDDEN LIFE

By Rev. P. J. TEMPLE, S.T.D.

'Like a scientist making a thorough microscopic examination, Father Temple considers each phase of Christ's life up to the time that the public ministry began. The parents, relatives and friends of Jesus come in for their share of searching. The environment of Christ is considered. But the central figure, moving grandly through these pages, is the boy and then the youth, who is God as well as man. *Pattern Divine* is one of the most comprehensive books published on the early life of our Lord. It is carefully documented and annotated. It contains a very useful index and an excellent bibliography.

'In short, *Pattern Divine* is a highly recommended book. It will not only serve as a source reference, but is valuable for meditation and spiritual reading. Father Temple is to be congratulated for giving us a much-needed volume, written in a readable style.'

Homiletic and Pastoral Review

'It is exegetical and historical, theological and ascetical. These elements are all perfectly blended and go to make this work, unique of its kind, a standard work, a monument in honour of the hidden life of our Lord.'
