

THE CLASSICAL ASSOCIATION

The Classical Association has a worldwide membership and is open to all who value the study of the languages, literature, and civilizations of ancient Greece and Rome. It creates opportunities for friendly exchange and co-operation among classicists, encourages scholarship through its journals and other publications, and supports classics in schools and universities. Every year it holds an annual conference, and it sponsors branches all over the country which put on programmes of lectures and other activities.

The Classical Association has about 3,500 members. Members receive *The Presidential Address* once a year and a newsletter, *CA News*, twice a year. They may also subscribe at substantially reduced cost to the Classical Association journals *Classical Quarterly*, *Classical Review*, and *Greece & Rome*.

For more information and a membership application form please contact the Secretary, The Classical Association, Senate House, Malet Street, London WC1E 7HU, UK (Tel: +44 (0)20 7862 8706, email: office@classicalassociation.org). The Secretary can also give information about the reduced journal subscription rate, and about the Classical Association's other occasional publications.

THE CLASSICAL QUARTERLY

The Classical Quarterly has a reputation for publishing the highest quality classical scholarship for over 100 years. It publishes research papers and short notes in the fields of language, literature, history, and philosophy. Two substantial issues (around 300 pages each) of *The Classical Quarterly* appear each year, in May and December. Given the quality and depth of the articles published in *The Classical Quarterly*, any serious classical library needs to have a copy on its shelves.

This journal issue has been printed on FSC-certified paper and cover board.

FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world's forests.
