

## Regional and State Associations

At the 1973 Annual Meeting of the Association, officers of the state and regional associations again met with Currin Shields of the University of Arizona and former President of the Western Political Science Association, as the presiding officer. The meeting provided officers an opportunity to discuss mutual concerns in conducting state and regional associations as well as ways in which the organizations can be strengthened.

*PS* is publishing its annual list of state and regional political science associations including organizations, officers, publications, and meetings in this issue. Further information as well as additions or corrections to the list will be appreciated.

Detailed information on activities and meetings of state and regional associations for the past and forthcoming conferences section of *PS* will also be most welcome.

### APSA Council Minutes

The third Council meeting of the year was held at the Jung Hotel, New Orleans, Louisiana, September 3, 1973.

Present: Samuel H. Barnes, Christian Bay, Samuel D. Cook, Valerie A. Earle, Richard F. Fenno, Paul Y. Hammond, Donald G. Herzberg, Matthew Holden, Jr., Robert H. Horwitz, Ralph K. Huitt, Charles O. Jones, Evron M. Kirkpatrick, Samuel Krislov, Avery Leiserson, William S. Livingston, Gerhard Loewenberg, Nelson W. Polsby, Kenneth Prewitt, Lucian W. Pye, H. Mark Roelofs, Ruth C. Silva, Robert E. Ward and Sidney Wise.

The minutes of the May 17 Council meeting were approved.

### Resolution on Write-In Candidacies

John Dreijmanis appeared before the Council with a resolution that write-in candidacies be permitted under Section 4 of the Constitution. First, there should be on the ballot paper under each office blank spaces equal to the number of candidates to be elected to that office. Second, all the votes for the write-in candidates should be counted and the results published. Third, it should be made quite clear on the ballot paper and in the accompanying instructions that write-in candidacies are permitted and that the votes received by such candidates will be counted.

Roelofs moved that the resolution be referred to the Committee on Elections. No objection; motion approved.

### APSR

Polsby moved that \$25,000 be granted to the *Review* from the Trust and Development Fund to reduce the backlog. Ward, for the Administrative Committee, moved that the request be granted with the qualification that the Editor be instructed to reduce the acceptance rate so that the problem of backlogs does not continue.

Krislov moved a substitute motion that the request be granted with the understanding that the Council would not favor renewal of the application prior to three years; that it is the responsibility of the Editorial Board to live within its budget and to devise policies which make it possible to live within its budget. Earle moved an amendment that the Council recommends to the Trust and Development Fund that it consider favorably the request for \$25,000 but not consider such a request again for three years. Krislov accepted the amendment. The Krislov substitution, as amended, was approved. 13 approved — 4 opposed.

### APSA Personnel Service

The Task Force on Placement of the Committee on Human Resources requested that the open-listing policy of the Personnel Service be changed from:

It is a professional obligation of all political science departments to list in the APSA Personnel Service Newsletter all positions for which they are recruiting except those vacancies at the Associate and Full Professor levels which departments expect to fill from among people known to them.
