ALAN ROSE.   *Eight-valued geometry.*   **Proceedings of the London Mathematical Society,** ser. 3 vol. 2 (1952), pp. 30–44.   See correction ibid., ser. 3 vol. 4, on separate small sheet attached to page 385.

The ASSOCIATION FOR SYMBOLIC LOGIC announces the following elections, each for a period of three years beginning January 1, 1966.

As Secretary of the Association, Professor Richard Montague of the University of California at Los Angeles.

As members of the Executive Committee, Professor Paul Benacerraf of Princeton University, and Professor C. C. Chang of the University of California at Los Angeles.

As members of the Council, Professor Karl De Bouvère of the University of Santa Clara, and Professor R. L. Goodstein of the University of Leicester.
