**Editorial policy:** The *International Journal of Law Libraries* invites for publication the submission of manuscripts for articles, bibliographies, notes and correspondence concerning law and law-related information.

All articles, bibliographies or other longer works should be sent to the Editor-in-Chief. Materials intended for inclusion in any of the other sections of the *IJLL* should be sent directly to the Associate Editor who has responsibility for the respective section, at the above addresses.

Any material received will be subjected to a review procedure before it can be accepted. Accepted manuscripts will be edited, where necessary, to improve the general effectiveness of communication between author/contributor and reader. If editing should be extensive, with the consequent danger of altering meanings or ideas, the manuscript will be returned for approval. Authors/contributors may expect notification of acceptance, rejection, or the need for revision within eight weeks of editorial receipt of a manuscript or contribution.

Authors/contributors are requested to submit two double-spaced, wide-margined copies of their manuscript materials to the appropriate editor of the *IJLL* along with written assurance that the article has not been published, submitted, or accepted for publication elsewhere as well as a brief statement on the author's current affiliation.

Contributions appearing in the *IJLL* are the responsibility of the authors/contributors and do not imply the endorsement of the Editorial Board. The *IALL* does not assume responsibility for the statements advanced by the contributors to, and advertisers in, the Association's publications. Editorial views do not necessarily represent the official position of the Association.

**Subscription information:** Subscription rates are included in *IALL* membership. For non-members, SwF 80.00 (or equivalent) per annum. Single copies SwF 28.00 (or equivalent). Checks should be made payable to the International Association of Law Libraries.
