*Volume I: To the Conquest by Richard Lion Heart*  
16 plates, 3 maps  
25s. net

The history of Cyprus is an epitome of civilization in the Eastern Mediterranean; because of its strategic position the island has been conquered and settled again and again, by Greeks, Phoenicians, Assyrians, Egyptians, Romans, Arabs, Venetians, Turks, and British. Sir George Hill's *History* disentangles the main threads from the wealth of material that excavation and research have now made available, and this first volume carries the story of Cyprus down to the conquest by Richard Lion Heart during the third Crusade.
