This journal and the individual contributions contained in it are protected under copyright, and the following terms and conditions apply to their use in addition to the terms of any Creative Commons or other user license that has been applied by the publisher to an individual article:

#### **Photocopying**

Single photocopies of single articles may be made for personal use as allowed by national copyright laws. Permission is not required for photocopying of articles published under the CC BY license nor for photocopying for non-commercial purposes in accordance with any other user license applied by the publisher. Permission of the publisher and payment of a fee is required for all other photocopying, including multiple or systematic copying, copying for advertising or promotional purposes, resale, and all forms of document delivery. Special rates are available for educational institutions that wish to make photocopies for non-profit educational classroom use.

#### **Derivative Works**

Users may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions or companies. Other than for articles published under the CC BY license, permission of the publisher is required for resale or distribution outside the subscribing institution or company. For any subscribed articles or articles published under a CC BY-NC-ND license, permission of the publisher is required for all other derivative works, including compilations and translations.

#### **Storage or Usage**

Except as outlined above or as set out in the relevant user license, no part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the publisher.

#### **Permissions**

# Elsevier WebShop's Language Services

Elsevier's Language Editing service offers professional English language editing for researchers preparing articles for publication in international scientific and medical journals.

Elsevier's PhD-level language editors have the expertise and editing experience necessary to ensure that your work is free of grammatical, spelling, and other common language errors before you submit, so that reviewers focus on the quality of your research rather than your language skills.

- ✓ Editing into proper scientific American or British English, by native speakers only
- ✓ PhD-level language editors, selected according to your field of study
- ✓ All work completed within 4 (short documents) or 7 business days
- ✓ Can be used for research papers, reports, books, PhD theses, grant applications, or Powerpoint presentations
- ✓ Exclusive Guarantee: free re-editing or money back

WebShop also offers:

## Translation Services

Elsevier's translation services will ensure that your scientific or medical article or other technical documents are translated accurately and are free of language errors before you submit.

Currently available for: *Chinese, Spanish, Portuguese and 12 more languages*

## Group Deals

Due to increasing demand from customers in research groups, university departments, and other research institutions, we have created **group deals which offer reduced prices** on bulk purchases for returning customers (or multiple customers at the same institution).

Our customers tell us that group deals have helped their budgets to go further, reduced their submission-to-publication times and positively impacted their research output – take advantage of these benefits for your own group!
