48th Annual ICAAC® / IDSA 46th Annual Meeting
Washington, DC ~ October 25-28, 2008
A Joint Meeting of ASM and IDSA

Dear Colleagues:

On behalf of the American Society for Microbiology (ASM) and the Infectious Diseases Society of America (IDSA) we invite you to participate in the 48th Annual ICAAC/IDSA 46th Annual Meeting, which will be held in Washington, DC, October 25-28, 2008.

Responding to the interest of many of the society's members and attendees, we are pleased to announce this joint meeting of ICAAC and IDSA. The Joint Program Committee has determined the Scientific Categories of the 2008 program with representatives from both organizations appointed in every category. Grants and Awards are expected to be presented as usual by each organization.

The online version of the **Call for Abstracts**, designed to guide you through the abstract preparation and electronic submission process is available at www.icaacidsa2008.org.

Your presentation at the joint meeting of ICAAC and IDSA will be an excellent opportunity for you to share your work with the scientific community.

Scott M. Hammer, M.D.

University of Miami Miller School of Medicine

The Division of Infectious Diseases, Dept of Medicine, is recruiting for a hospital epidemiologist to guide the Infectious Control Activities at Jackson Memorial Hospital. Jackson Memorial Hospital is a 1550 bed facility that provides care to one of the most diverse urban populations in the country. It is also a tertiary care facility with outstanding programs in virtually all specialty areas, a magnet for both national and international patients. The level 1 Ryder trauma center is one of the busiest in the United States. The transplantation program is also one of the largest of its kind in the world. The incumbent must be BE/BC in infectious diseases with experience in hospital epidemiology and infection control. Applicants with research experience are preferred. He or she will be responsible for supervising the infection control activities at the center and the development of new programs.

UM is an AA/EOE. Applications from women and people from diverse racial, ethnic and cultural backgrounds are encouraged. Interested applicants should send a CV, a statement of research interests, and names of three references to:
