MELVILLE'S
QUARREL
WITH GOD

by *Lawrance Thompson*

The author argues that Melville, seeking to disguise his agonized conviction of the cruelty and malice of God, consistently satirized Christian doctrine by resorting to literary deceptions that could simultaneously satirize and hoodwink his orthodox readers. A new interpretation of the author of *Moby Dick*, brilliantly presented and fully supported by external and internal evidence in such a way as to reveal a sinister intent in all of the major narratives from *Typee* through *Billy Budd*. 475 pages, \$6.00
