

PARLIAMENTARY GOVERNMENT IN THE COMMONWEALTH

A symposium edited by Sydney D. Bailey.
Foreword by Commander Stephen King-Hall.
Introduction by Professor Alexander Brady.

Contributors include: Sir Ernest Barker, Professor F. A. Bland, Sir Charles Collins, H. V. Hodson, the Hon. G. V. Mavalankar, the Rt. Hon. Walter Nash, His Excellency Dr. Rajendra Prasad, and Sir Alfred Zimmern. 9/-

"Highly interesting and informative . . . forms fascinating reading and will provide much food for thought." *World Affairs.*

"Contains a great number of stimulating ideas . . ." *International Journal, Toronto.*

"A capital, well-packed, and succinct little book . . ." *Library World.*

"An extremely useful symposium . . ." *United Empire.*

"Richly deserves a wide circulation . . ." *British Survey.*

Aspects of American Government

A symposium edited by Sydney D. Bailey. Foreword by Commander Stephen King-Hall. Contributors include D. W. Brogan, Henry Steele Commager, Thomas K. Finletter, Felix Frankfurter, Harold J. Laski, Allan Nevins, and Frederic A. Ogg. Crown 8vo., 207 pp. 85 cents.

"Sydney D. Bailey has assembled a galaxy of talent including some of the most distinguished names in American and British political science . . . The entire volume is of great professional competence . . ." J. B. SHANNON, *American Political Science Review.*

"The list of contributors includes a very distinguished group of Englishmen and Americans . . . a more realistic and authoritative discussion of American government and politics than many college texts in history or government. One can but wonder at the talents of an editor who was able to enlist such star performers." *American Historical Review.*

"Well qualified writers cover almost every aspect of the subject . . . An adequate, up-to-date introduction to the working of American Government . . . Can be warmly recommended to all who prefer their political science in bedside form." *The Times Educational Supplement.*

"It is an excellent study. It is thorough, informed, and realistic. It calls on the insight of the best English and American political students." *Christian Science Monitor.*

HANSARD SOCIETY, 39 Millbank, LONDON S. W. 1

*"He demonstrates a magnificent grasp of the historical process"**

The Meaning of Civilization

By BOHDAN CHUDOBA, Ph.D.

Litt. D., Royal University of Madrid

A creative, clarifying interpretation of the culture of Christian Europe. Dr. Chudoba's significantly Christian philosophy is a frontal attack on materialism, a challenging, meaningful stratification of the deepdown currents of Western thought.

"A BRILLIANT PERFORMANCE . . . The author moves with assurance through webs of philosophy, science and history. The broad force of his work is astonishing." — DR. WM. BRIDGEWATER, PH.D., Editor-in-Chief, *Columbia Univ. Press*.

"CLEAR AND THOUGHTFUL . . . It has unity and real intrinsic value." — DR. PAUL A. LEVACK, *Fordham University*.

"MASTERY AND CONFIDENT . . . An admirable synthesis of the whole of human history . . . Most scholarly and useful." — A. G. O'CONNOR, *The Ensign*.

"THOUGHT PACKED . . . Deserves careful reading by the serious student of cultural history." — JOHN J. BLEWETT, S.J., *Catholic Review Service*.

"FRESH, VIGOROUS, UNINHIBITED . . . As an historical essayist Dr. Chudoba has few equals in our generation." — *America*.*
