Antai College of Economics & Management,
Shanghai Jiao Tong University

Shanghai Jiao Tong University

Shanghai Jiao Tong University (SJTU) is a comprehensive, research based national key university established in 1896, initially named Nanyang Public School. While SJTU has always enjoyed the highest reputation for its engineering programs, it has recently made tremendous progresses in economics and related fields.

Antai College of Economics & Management

Antai College of Economics & Management (ACEM), SJTU is widely recognized as one of China's leading business colleges. ACEM offers a comprehensive range of the highest quality programs available. Our MBA program was rated 41st among global MBA programs in 2008 and the Masters of Science in Management program was ranked 37th globally in 2009 by the Financial Times. As the first China-based business school to be triply accredited by EQUIS, AMBA and AACSB, it aims to develop the highest-level managerial talent, with thoroughly international perspectives and capacities, and the ability to compete in the global economy.

Academic Achievements

In the past few years, ACEM has undertaken a series of consulting projects for both government departments and enterprises. At the same time, the quantity of research papers published domestically and internationally in prestigious journals is growing steadily, reflecting the academic achievement of Antai professors. In the UTD Top 100 World Rankings of Business Schools Based on Research Contribution (2009-2010), ACEM ranked 2nd among mainland business schools.

Chinese Management Insights

Based on research published primarily in
Management and Organization Review

《中国管理新视野》是由中国管理研究国际学会出版的，面向企业管理者的中英文双语杂志，旨在传播有关中国企业管理最前沿的研究成果。大部分文章的原作来自学会会刊《组织管理研究》发表的论文，经过“去粗取精”的加工过程，增强文章的可读性和对企业实际运作的启发性和针对性。《中国管理新视野》具有以下几个鲜明特征：

- 具有强烈的时代性和前瞻性，引领中国管理的思考和实践
- 荟萃世界顶尖中国企业管理学者多年的研究成果
- 短小精悍、重点突出、引人入胜

此外，杂志还设有企业家专栏，通过采访的形式分享中国企业家的管理哲学和最佳管理实践。

Chinese Management Insights is a Chinese-English bilingual publication that converts leading academic research on China-related topics into summaries that can be easily read and used by managers. These summaries exclude most of the academic theory, research methodology and literature references that are in the original full papers, and focus on what is directly useful to managers. Most of the papers come from *Management and Organization Review*, published by the International Association for Chinese Management Research (IACMR). In addition, we will publish Chinese executives' perspective on management philosophy and best management practices of their companies.
