

MRS BULLETIN

June 1996

A Publication of the Materials Research Society

Volume 21, Number 6 ISSN: 0883-7694 CODEN: MRSBEA

ELECTROCERAMIC THIN FILMS PART I: PROCESSING

21 Electroceramic Thin Films Part I: Processing

O. Auciello and R. Ramesh,
Guest Editors

25 Sputter Synthesis of Ferroelectric Films and Heterostructures

O. Auciello, A.I. Kingon, and
S.B. Krupanidhi

31 Laser-Ablation Deposition and Characterization of Ferroelectric Capacitors for Nonvolatile Memories

O. Auciello and R. Ramesh

37 Chemical Vapor Deposition of Electroceramic Thin Films

M. de Keijser and G.J.M. Dormans

44 PE-MOCVD of Dielectric Thin Films: Challenges and Opportunities

S.K. Dey and P.V. Alluri

49 Solution Deposition of Ferroelectric Thin Films

B.A. Tuttle and R.W. Schwartz

55 Process Integration for Nonvolatile Ferroelectric Memory Fabrication

R.E. Jones, Jr. and S.B. Desu

TECHNICAL FEATURE

13 Design of High-Strength, High-Conductivity Alloys

J. Miyake, G. Ghosh, and M.E. Fine

72 Abstracts for August 1996 *Journal of Materials Research*

ON THE COVER: Laser-ablation deposition of ferroelectric thin films. For more information on this topic, see the article that begins on page 31.

Insert: Selected application of ferroelectric thin films to devices.

About the Materials Research Society

The Materials Research Society (MRS), a non-profit scientific association founded in 1973, promotes interdisciplinary goal-oriented basic research on materials of technological importance. Membership in the Society includes over 12,000 scientists, engineers, and research managers from industrial, government, and university research laboratories in the United States and nearly 50 countries.

The Society's interdisciplinary approach differs from that of single-discipline professional societies because it promotes information exchange across the many technical fields touching materials development. MRS sponsors two major international annual meetings encompassing approximately 60 topical symposia, and also sponsors numerous single-topic scientific meetings. The Society recognizes professional and technical excellence and fosters technical interaction in local geographic regions through Sections and University Chapters.

MRS participates in the international arena of materials research through the International Union of Materials Research Societies (IUMRS). MRS is a member of the Federation of Materials Societies and is an affiliate of the American Institute of Physics.

MRS publishes symposium proceedings, *MRS Bulletin*, *Journal of Materials Research*, and other publications related to current research activities.

MRS Bulletin (ISSN: 0883-7694) is published 12 times a year by the Materials Research Society, 9800 McKnight Road, Pittsburgh, PA 15237. Application to mail at second class rates has been approved at Pittsburgh, PA and at additional mailing offices. POSTMASTER: Send address changes to *MRS Bulletin* in care of the Materials Research Society, at the address listed; phone (412) 367-3003; fax (412) 367-4373. Printed in the U.S.A.

Additional copies of articles in *MRS Bulletin* may be made at \$2.50 per article. This fee can be paid to the Materials Research Society through the Copyright Clearance Center, Inc., 27 Congress Street, Salem, MA 01970.

Membership in MRS is \$75 annually for regular members, \$25 for students. Dues include an allocation of \$29 (\$17 for students) to a subscription to *MRS Bulletin*. Individual member subscriptions are for personal use only. Non-member subscription rates are \$135 for one calendar year (12 issues) within the U.S.A. and \$185 elsewhere. Single copies may be purchased for \$16 each. Send subscription orders to Subscription Department, Materials Research Society, 9800 McKnight Road, Pittsburgh, PA 15237.

MRS Bulletin is included in *Current Contents/Engineering, Computing, and Technology*; *Current Contents/Physical, Chemical, and Earth Sciences*, the *SciSearch*® online database, *Research Alert*®, *Science Citation Index*®, and the *Materials Science Citation Index*®. Back volumes of *MRS Bulletin* are available in 16mm microfilm, 35mm microfilm, or 105mm microfiche through University Microfilms Inc., 300 North Zeeb Road, Ann Arbor, Michigan 48106.
