The Cambridge English Course

3

Michael Swan and **Catherine Walter**

Take your students up to mid-intermediate level with *Cambridge English Course 3*.

Level 3 has been created to meet the diverse needs of students at this crucial stage in their learning. It follows directly from Levels 1 and 2 to offer you and your students:

- thorough, comprehensive language content, founded on the much acclaimed multi-syllabus approach
- extensive stretches of 'real English' - authentic readings and recorded interviews
- a rich variety of informative, thought-provoking and often controversial topics
- an intelligent balance between teacher control and learner autonomy

The components of *Cambridge English Course 3* are: Student's Book, Teacher's Book, Practice Book, Test Book, Class Cassette Set, Student's Cassette.

Cambridge ELT Software

WORDPLAY

SIMON FENN

Wordplay contains four programs which work at the word and sentence level of language, and an authoring program.

► **Scrambler** - rearrange the jumbled words of a sentence and type them in the correct order

► **Flasher** - recognise words or sentences, remember them and enter them into the computer

► **Annagramma** - the letters of a word are mixed up: decipher them and enter the correct word

► **Alpha Beater** - 26 guesses to find the hidden word which the computer has chosen

► **Listwriter** - authoring program enabling users to save word or sentence lists of their own

TEXTPLAY

SIMON FENN

Textplay contains three programs, working at the text level of language, and an authoring program.
The programs are:

► **Context** - a cloze-type program: rebuild a text from nothing except for dashes indicating the number of letters in the words

► **Hotline** - rearrange the jumbled lines of a text into their correct form

► **Space Out** - put the punctuation, spaces and capital letters into a text

► **Textwriter** - authoring program enabling users to save texts of their own

Both **Wordplay** and **Textplay** are available in BBC protected and unprotected verions.
