

## INFORMATION FOR AUTHORS AND READERS

**NOTES FOR CONTRIBUTORS:** The Editors welcome contributions on all aspects and periods of the history of architecture. Enquiries and article manuscripts should in the first instance be sent to the Lead Editor, Anthony Gerbino, via [architecturalhistory@sahgb.org.uk](mailto:architecturalhistory@sahgb.org.uk). The Editors will advise the address to which a formal submission should be sent. Since the journal is a double blind refereed one, when the article is submitted formally, two printed copies will be required; rough copies of images will suffice at this stage. Full Notes for Contributors are available on the SAHGB website and intending authors are advised to study them carefully.

**SUBSCRIPTIONS:** *Architectural History* is published once a year in September. The 2018 price for an online and print subscription for institutions (excluding VAT or sales tax) is \$265.00 in the USA, Canada and Mexico, and £166.00 in the UK and elsewhere. The 2018 price for an online-only subscription is \$221.00 in the USA, Canada and Mexico, and £138.00 in the UK and elsewhere. EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. Prices include delivery by air when appropriate. Japanese prices for institutions are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo 156, Japan. Orders, which must be accompanied by payment, may be sent to a bookseller, subscription agent or direct to the publisher: Cambridge University Press, Journals Fulfilment Department, UPH, Shaftesbury Road, Cambridge CB2 8BS, UK, email [journals@cambridge.org](mailto:journals@cambridge.org); or in the USA, Canada and Mexico: Cambridge University Press, 40 West 20th Street, New York, NY 10011-4211, email [subscriptions\\_newyork@cambridge.org](mailto:subscriptions_newyork@cambridge.org). Prices include delivery by air. Periodicals postage paid at New York, NY and at additional mailing offices.

**OPEN ACCESS:** The SAHGB has been committed since its foundation to the promotion of scholarship in the history of architecture to the widest possible audience. To that end, the journal policy allows authors to archive their manuscript in an institutional repository under the Green Open Access model. Please visit Open Access Publishing at Cambridge ([cambridge.org/openaccess](http://cambridge.org/openaccess)) for current information on our Open Access policies, compliance with major funding bodies, and guidelines on depositing your manuscript in an institutional repository.

**BACK ISSUES AND DIGITAL ARCHIVE:** A full index to vols 1–46, created by the late Professor Andor Gomme, is available at [www.sahgb.org.uk](http://www.sahgb.org.uk), alongside contents lists for more recent volumes. Many of the early volumes of *Architectural History* are out of print but most recent volumes (save vol. 48) are available, as are some of the Society's monographs. The complete digital archive of the journal is available through the journals homepage with Cambridge University Press at <http://cambridge.org/arh>. Alternatively, all articles from three or more years ago are available for consultation through JSTOR, a not-for-profit online archive, at [www.jstor.org](http://www.jstor.org).
