

FORTHCOMING PAPERS

The next issue of the *British Journal of Nutrition* will appear in September. It is hoped to publish in it the following papers:

Obituary notice (Sir Edward Mellanby). By B. S. PLATT.

The nutrition of Nigerian children, with particular reference to their energy requirements. By B. M. NICOL.

Malnutrition in African adults. 3. Effect of diet on body composition. By E. G. HOLMES, E. R. JONES, MARGARET D. LYLE and MARGARET W. STANIER

The effect of hexoestrol implantation on growth and certain carcass characteristics of fattening steers. By J. N. AITKEN and J. A. CRICHTON.

The effect of hexoestrol implantation on the fattening of lambs. By J. C. GILL, W. THOMSON and J. A. CRICHTON.

Experimental dental caries in the albino rat. The production of carious lesions in animals maintained on a finely powdered purified diet containing 67% sucrose. By R. L. HARTLES, F. E. LAWTON and G. L. SLACK.

Disappearance of carotene from the alimentary tract of vitamin A-deficient rats. By V. H. BOOTH.

The effect of calcium depletion on the chemical composition of bone minerals in laying hens. By T. G. TAYLOR and J. H. MOORE.

Preliminary experiments on the effect of methionine sulphoximine on the developing chick. By the late EDWARD MELLANBY.

CONTENTS OF VOLUME 10, No. 2, 1956

(All rights reserved)

| | PAGE |
|--|------|
| Some observations on the digestibility of food by sheep, and on related problems. By K. L. BLAXTER, N. McC. GRAHAM and F. W. WAINMAN | 69 |
| Effect of continued administration of cortisone and ACTH on vitamin C levels in guinea-pig adrenals. By B. J. CONSTABLE, LESLIE J. HARRIS and R. E. HUGHES | 91 |
| An investigation of the rarity of infantile scurvy among the South African Bantu. By MARIANNE ANDERSSON, A. R. P. WALKER and H. C. FALCKE | 101 |
| The effect of vegetarianism and antibiotics upon proteins and vitamin B ₁₂ in the blood. By G. A. DHOPEHWARKAR, J. C. TRIVEDI, B. S. KULKARNI, R. S. SATOSKAR and R. A. LEWIS | 105 |
| The effect on digestibility of methods commonly used to increase the tenderness of lean meat. By J. H. FARRELL | 111 |
| The rate of passage of foodstuffs through the alimentary tract of the goat. 2. Studies on growing kids. By ELIZABETH J. CASTLE | 115 |
| Further studies on the metabolism by rats of intravenously administered aqueous dispersions of carotenoid pigments. By W. A. MCGILLIVRAY, S. Y. THOMPSON and N. A. WORKER | 126 |
| Relation between protein efficiency and net protein utilization. By A. E. BENDER | 135 |
| Microbiological evaluation of protein quality with <i>Tetrahymena pyriformis</i> W. 1. Characteristics of growth of the organism and determination of relative nutritive values of intact proteins. By W. R. FERNELL and G. D. ROSEN | 143 |
| Microbiological evaluation of protein quality with <i>Tetrahymena pyriformis</i> W. 2. Relative nutritive values of proteins in foodstuffs. By G. D. ROSEN and W. R. FERNELL | 156 |
| The effect of complete hepatectomy on the utilization by rats and rabbits of intravenously administered aqueous dispersions of carotene. By N. A. WORKER | 169 |

INDEX OF AUTHORS
