
PROCEEDINGS

The Materials Research Society has in stock a limited quantity of proceedings of past symposia. These volumes are increasingly referenced in the periodical literature of materials science and are excellent reference sources. The Society is pleased to make these volumes available to members at a reduced price. Proceedings available are listed on this order blank. To order, mail this blank with your check made out to "Materials Research Society" to the Secretariat; it can accompany your election ballot, which is processed separately but goes to the same address. Orders will be filled on a first come-first served basis until supplies are exhausted. Books will be shipped postpaid.
