## The Christianity Reader

Edited by **Mary Gerhart** and **Fabian Udoh**

*The Christianity Reader* is a landmark sourcebook for the study of Christianity's historical diversity. With newly edited, annotated, and translated primary texts, along with supplemental analytical essays, the volume allows Christianity, at long last, to speak in its many voices.

"This anthology provides a rich selection of texts and is good news both as a classroom resource and as a work of reference. It is highly recommended for students, pastors and academic teachers and for anyone interested in gaining a deeper understanding of Christianity." —*Catholic Library World*
