

**MIDDLE EAST STUDIES ASSOCIATION BULLETIN**

Volume XIV, No. 1

July 1980

The MIDDLE EAST STUDIES ASSOCIATION OF NORTH AMERICA, INC. (MESA) was organized in 1966 by a group of American and Canadian scholars on the Middle East: to

- to promote high standards of scholarship and instruction in this area,
- to facilitate communication among scholars through meetings and publications, and
- to foster cooperation among persons and organizations concerned with the scholarly study of the Middle East.

The area included within the Middle East runs from Morocco to Pakistan and from Turkey to the Sudan. MESA is concerned with this area primarily since the rise of Islam and from the viewpoint of the social science and humanistic disciplines.

Persons of scholarly attainment in Middle East studies are eligible to become members of MESA. Applications for membership are made on an Application Form obtainable from the Executive Secretary, Middle East Studies Association, New York University, Hagop Kevorkian Center for Near Eastern Studies, Washington Square, New York, N.Y. 10003. Each application is acted upon individually and membership is on a calendar year basis.

The Association is incorporated in the State of New York as a non-profit corporation with tax-exempt status. Contributions to the Association are deductible, both under United States federal and British income tax regulations.

The following publications are available from the MESA Secretariat:
