

Institute of Aging

Institut du vieillissement

The Institute of Aging supports research that promotes healthy aging and addresses causes, prevention, screening, diagnosis, treatment, support systems, and palliation for a wide range of conditions associated with aging.

L'Institut du vieillissement appuie la recherche visant à favoriser un vieillissement en santé et à étudier les causes, la prévention, le dépistage, le diagnostic, le traitement, les systèmes de soutien et les soins palliatifs relativement à un large éventail de conditions associées au vieillissement.

Institute Priority Topics

- Healthy and successful aging
- Biological mechanisms of aging
- Aging and maintenance of functional autonomy
- Cognitive impairment in aging
- Health services and policy relating to older people

Priorités de recherche de l'Institut

University of Toronto Press Incorporated Journals Division

University of Toronto Press is pleased to announce the launch of the online versions of 10 scholarly journals. In 2007 the *Canadian Journal on Aging*, *Canadian Public Policy*, the *Canadian Journal of Criminology and Criminal Justice*, the *Canadian Modern Language Review*, *Seminar: A Journal of Germanic Studies*, *Genocide Studies and Prevention*, the *Canadian Historical Review*, *Cartographica*, the *Journal of Scholarly Publishing*, and *University of Toronto Quarterly* will provide online access to current and back volumes.

The complete back file of *Cartographica*, from volume 1:1 (when the journal was known as *The Cartographer*) to volume 41, will also be available.

Founded in 1901, the University of Toronto Press is Canada's oldest and largest scholarly press and one of the largest university presses in North America, publishing 30 journals and releasing approximately 140 new scholarly, reference, and general-interest books each year, as well as maintaining a backlist of more than 1000 titles in print.

Nurses working together make a difference

Wayne Cuddington, The Ottawa Citizen

In partnership with nurses, nursing associations, development and health organizations in more than 30 countries, the Department of International Policy and Development at CNA strengthens the

contribution of nurses and their associations to the advancement of global health and equity.

Partners
IN HEALTH

Program undertaken with the financial support of the Government of Canada through the Canadian International Development Agency (CIDA).
