- Free annual subscription to *Medico-legal News* (four issues per year; see previous page).
- Reduced registration fees at all ASLM sponsored seminars and educational programs. ASLM programs have included regular annual series covering topics such as the Medico-legal Evaluation of Disability, Medical Malpractice, the Medicolegal Implications of Emergency Care, as well as specialized programs on key issues such as Rehabilitation, Computers in Health Care Delivery, Genetics, Social Work, the Rights of Hospital Patients, and others.
- Access to the ASLM Special Book Purchase Program, which enables centralized purchase of certain medical and legal texts (and related topics) at list price without extra postage or handling charges within the Continental U.S. area.
- Free on-site access and other membership privileges to a new medico-legal reference library now being established in the Boston area. This unique library, one of a few of its kind in the country, has been formed by the merging of several collections of medicolegal source materials. Currently containing over 1,000 books, texts, and monographs, plus many pamphlets, reprints, clippings, audio and video tape cassettes, and unpublished student papers, the library will enable one-source access to much reference material not currently available in unidisciplined libraries such as law school or medical school libraries.

## SUBMISSION OF ARTICLES

The Editors encourage the submission of manuscripts on a wide range of medicolegal topics for publication in the JOURNAL. Acceptable subjects include health law and policy; legal, ethical, social, and economic aspects of medical practice, education, and research; health-related insurance; and other important or interesting subjects involving the relationship of the life sciences to the social sciences and humanities. The JOURNAL is interdisciplinary. Contributions from specialists in a variety of disciplines are welcomed. All materials should be sent to the Editor-in-Chief, American Journal of Law & Medicine, Editorial Offices, 454 Brookline Avenue, Boston, Massachusetts 02215.

**POLICY ON MULTIPLE SUBMISSION:** The Editor-in-Chief receives manuscripts in the understanding that they have not simultaneously been submitted elsewhere for consideration for publication.

**GENERAL FORM:** Manuscripts should be typewritten on one side of the paper only, with triple spacing and liberal margins. Manuscripts should be submitted in *triplicate*, i.e., an *original* and two carbon or Xerox copies. The title of the paper and the author's name and address should be given on a covering sheet.

**ABSTRACT:** A short abstract (normally not exceeding 200 words) succinctly summarizing the content of the manuscript should accompany the manuscript on a separate sheet. If the paper is accepted, the abstract will be published along with the manuscript.

**REFERENCES:** Footnotes to sources should be numbered consecutively, and placed on triple spaced pages at the end of the text. All footnotes should conform to *A Uniform System of Citation* (12th ed.), published and distributed by the Harvard Law Review Association, Gannett House, Cambridge, Massachusetts 02138. Non-lawyers unfamiliar with this system should follow the citation form accepted in their field and the Editors of the JOURNAL will make the appropriate modifications if the paper is published.

**ILLUSTRATIONS:** Illustrations and tables accompanying manuscripts should be numbered, provided with suitable legends, and marked lightly on the back with the author's name. Authors should indicate on the manuscript the appropriate positions of tables and text figures. Special arrangements must be made with the Editor-in-Chief for color plates, elaborate tables, half-tone illustrations or extra illustrations, drawings, and photographs.

**PUBLICATION LANGUAGE:** English.

**SELECTION AND EDITING TIMETABLE:** Receipt of manuscript will be acknowledged within one week of receipt. Authors will be notified of the manuscript's acceptance or rejection within one to three months, and accepted manuscripts will be published within three to eight months of acceptance.

**PROOFS AND AUTHOR OFFPRINTS:** Because of time pressures, printer's proofs of articles accepted for publication will *not* be made available to authors. Thirty offprints of each article, enclosed in JOURNAL covers, will be distributed to the author or divided among the authors if there are more than one. Orders for additional offprints, for which a fee is charged, must be communicated at least one month prior to publication.

**RETURN OF MANUSCRIPTS:** Upon request of the author and upon receipt of a suitable envelope stamped with adequate postage, the Editor-in-Chief will return to the author the original of any manuscript not accepted for publication.
