THE POSSIBILITIES!

## MEDICAL DIRECTOR, INFECTION CONTROL

Take this opportunity to ensure your career is moving in the right direction - Imagine the possibilities that exist within our extraordinary organization -- professionally and personally. As BC's largest and Canada's most diverse health authority, we are committed to building capacity to address unprecedented population growth. Your energy, vision, experience and leadership will be the key to establishing and fostering an effective Infection Control network impacting all levels of the healthcare system.

In this pivotal role, you will provide clinical direction and medical oversight for our Infection Control Program, working collaboratively with stakeholders and regulatory, academic, research bodies and Infection Control practice networks to champion effective program outcomes and establish industry best practices.

Your qualifications will include eligibility for licensure with the College of Physicians and Surgeons of BC, 5 - 7 years' experience as an Infectious Disease Physician in a complex health care environment and a proven track record in infectious diseases and/or medical microbiology (or equivalent). A background in epidemiology/research is beneficial.

Come join an outstanding team and live within reach of all the pleasures of West Coast living!

To apply, please send your CV to
