## Teach About Asia

### **Education About Asia**

A unique and innovative magazine, Education About Asia is a practical teaching resource for secondary school, college, and university instructors, as well as an invaluable source of information for all students who have an interest in Asia. To review subscription information, the table of contents for all issues, selected articles, as well as information on the Association for Asian Studies, please visit www.asian-studies.org.

### FOCUS ON ASIA: JAPAN'S DEMOCRACY two-part series (spring and winter 2011)

Government and political science instructors who want to improve their student's understanding of democratic government and encourage global perspectives on civic literacy can effectively utilize the study of Japan, Asia's oldest democracy, in their classrooms. The spring and winter 2011 issues of Education About Asia will include a two-part "Focus on Asia: Japan's Democracy" series. "Japan's Democracy" will offer feature articles and resource essays that should provide instructors illumination about a variety of aspects of Japanese democracy. Much of the content will also include a US-Japan comparative focus.

Funding generously provided by the United States-Japan Foundation.

# Books to Teach With from Chicago

## **Hyperpolitics**

An Interactive Dictionary of Political Science Concepts

### Mauro Calise and Theodore J. Lowi

"All of this is wonderful, exciting, imaginative, and generous. *Hyperpolitics* is a great service to many disciplines, not just political science. As an intellectual history of political science, this book is unequalled. This is a pioneering reinvention of the dictionary."—Richard M. Valelly, Swarthmore College

Paper \$18.00

### **Political Ethnography**

What Immersion Contributes to the Study of Power

### Edited by Edward Schatz

2010 Giovanni Sartori Award, American Political Science Association

"Extremely well written, it does an excellent job of providing concrete examples of successful ethnographic research and, at the same time, linking methodology to fundamental philosophical ideas about the way the world works." —Gregory Kasza, Indiana University

AFRICA

Africa: Journal of the International African Institute

KARIN BARBER, UNIVERSITY OF BIRMINGHAM, UK

DAVID PRATTEN, UNIVERSITY OF OXFORD, UK

Published for the International African Institute

*Africa*, the journal of the International African Institute is the premier journal in African Studies, encompassing the whole of Africa and a wide spectrum of disciplines. Founded in 1928, the journal has a long history of publishing ground-breaking work in the humanities, social sciences, and environmental studies.

Editorial policy encourages an interdisciplinary approach. We are interested in African production of knowledge, emerging social and cultural trends 'on the ground', and links between local and national levels of society.

A thematic strand on 'local intellectuals' highlights obscure or unpublished texts by Africans writing outside the academic or literary mainstream. These shed a fascinating light on local life in Africa. Online publication makes it possible to reproduce extensive local texts in their entirety, as a supplement to articles published in the journal.

Each issue contains six or seven major articles, arranged thematically, extensive review essays and substantial book reviews. One issue each year is a guest-edited special issue on a key emerging topic or theme.

#### Impact Factor\*: 0.592

Quarterly. Volume 81, 2011. ISSN 0001-9720. E-ISSN 1750-0184

Africa is not sold on its own to institutional subscribers. It is sold to institutions in a package with the annual

Africa Bibliography and is available in print, online and bundled formats in this package. For package pricing, please contact usjournals@cambridge.org (US institutions) or journals@cambridge.org (UK and RoW) Individuals, print + online: \$155

Individuals, online only: \$100

The International African Library (IAL) is a monograph series from the International African Institute. Over 40 books have been published since the series' inception in 1986, including winners of the Herskovits Prize, the Amaury Talbot Prize, and the Audrey Richards Prize. The IAL enjoys the reputation as one of the leading series in African Studies, and Cambridge University Press is proud to carry on this fine tradition beginning with the publication of *War and the Crisis of Youth in Sierra Leone* by Krijn Peters in December 2010.

#### SERIES EDITORS:

J. D. Y. PEEL, School of Oriental and African Studies, University of London SUZETTE HEALD, London School of Economics and Political Science DEBORAH JAMES, London School of Economics and Political Science

War and the Crisis of Youth in Sierra Leone KRUN PETERS

The *Africa Bibliography* is an authoritative guide to works in African studies and has been published under the auspices of the International African Institute annually since 1984. Launching in 2011, the *Africa Bibliography* will be available for the first time AS A SEARCHABLE ONLINE DATABASE, ALONGSIDE THE ANNUAL PRINT EDITION.

When complete this online consolidated version will bring together every record collected since the bibliography's foundation, producing a rich and interactive resource for all scholars interested in the study of Africa.

- Includes Boolean, quick search and browse functionality
- Allows users to search across multiple volumes and filter results
- Quick, comprehensive and clear access to records

#### **International African Institute**

The IAI was founded in 1926 in London as the International Institute of African Languages and Cultures. Over the years, the IAI has played a pioneering role in promoting African studies through facilitating research, scholarly publishing about Africa, and a variety of other programmes including hosting seminars and lectures. Cambridge University Press is proud to announce that beginning in January 2011, we will take over publication of this venerable institution's critically important and innovative collection of books and journals.

# JOURNALS

# Canadian Journal of Political Science

English Editor Csaba Nikolenyi Concordia University, Canada

French Editor Nicole F. Bernier Université de Montréal, Canada

Published for the Canadian Political Science Association/ Association canadienne de science politique (CPSA/Acsp) and the Société québécoise de science politique (Sqsp)

This peer-reviewed journal provides original research articles, notes, commentaries, review articles, and book reviews in all areas of political science, including but not limited to: the history of political thought; contemporary political theory; international relations and foreign policy; governmental institutions and processes; political behavior; public administration and public policy; and women and politics. In addition, the *Canadian Journal of Political Science/Revue canadienne de science politique* is the primary forum for innovative research on all facets of Canadian politics and government as well as the

principal outlet for Canadian political science scholarship.

Submissions are accepted in English and in French.

# Revue canadienne de science politique

Directeur anglophone Csaba Nikolenyi Concordia University, Canada

Directrice francophone Nicole F. Bernier Université de Montréal, Canada

Revue publiée pour l'Association canadienne de science politique/ Canadian Political Science Association (Acsp/CPSA) et la Société québécoise de science politique (Sqsp)

Cette revue soumise à l'évaluation des pairs offre des articles de recherche originaux, des notes,des commentaires, des exposés de synthèse et des recensions dans tous les domaines de la science politique, notamment: l'histoire de la pensée politique, la théorie politique contemporaine, les relations internationales et la politique étrangère, les institutions publiques et les processus gouvernementaux, les comportements politiques, l'administration et les politiques publiques, et les femmes et la politique. En outre, la *Canadian Journal of Political Science/ Revue canadienne de science politique* est le forum dechoix des spécialistes de tous les aspects de la vie

politique et du gouvernement au Canada, ainsi que la principale tribune des chercheurs canadiens en science politique.

Les articles peuvent être rédigésen anglais ou en français.

# DU BOIS REVIEW SOCIAL SCIENCE RESEARCH ON RACE

### EDITORS:

Lawrence D. Bobo Harvard University, USA

Michael C. Dawson University of Chicago, USA **Du Bois Review** is a peer-reviewed journal devoted to research and criticism on race in the social sciences. It provides a forum for discussion and increased understanding of race and society from a range of disciplines, including but not limited to economics, political science, sociology, anthropology, law, communications, public policy, psychology, and history. Each issue contains an editorial overview, invited lead essays, original research papers, and review essays covering current books, controversies, and research threads.

In 2011, Cambridge University Press is delighted to begin publishing

# Ethics & International Affairs

for the Carnegie Council for Ethics in International Affairs

### Editor-in-Chief:

Joel H. Rosenthal Carnegie Council for Ethics in International Affairs, USA

**Ethics & International Affairs** aims to help close the gap between theory and practice (and between theorists and practitioners) by publishing original essays that integrate rigorous thinking about principles of justice and morality into discussions of practical dilemmas related to current policy developments, global institutional arrangements, and the conduct of important international actors. Theoretical discussions that originate in philosophy, religion, or the social sciences should connect with the interests of journalists,

activists, policy-makers, and citizens who are primarily concerned with assessing and reforming specific policies, as well as existing rules and institutions such as the United Nations, the World Bank, and the International Monetary Fund; arrangements governing trade, environmental protection, and the use of force; and the International Criminal Court and ad hoc tribunals that address genocide and past societal injustices.

# CAMBRIDGE LIBRARY COLLECTION Books of enduring scholarly value

In the spirit of Cambridge University Press's continued commitment to innovation and enterprise, the Cambridge Library Collection launched in July 2009, making an initial group of 475 out-of-print books available again. Another 1,000 will follow by the end of 2009 and 3,000 titles a year will be added as the program continues.

Drawing from the world-renowned collections in the Cambridge University Library, these books are carefully selected by experts in each subject area because of their scholarly importance or as landmarks in the history of their academic discipline.

Cambridge University Press is using state-of-the art scanning machines to capture the contents of each book. The files are processed to give a consistently clear, crisp image, and the books finished to the high-quality standard for which the press is recognized around the world. The latest print-on-demand technology ensures that the books will remain available indefinitely.

The Cambridge Library Collection will revive books of enduring scholarly value across a wide range of disciplines in the humanities, social sciences, science and technology.
