NEW IN PAPERBACK

The End of the Bronze Age

Changes in Warfare and the Catastrophe ca. 1200 B.C.

Robert Drews

The Bronze Age came to a close early in the twelfth century B.C. with one of the worst calamities in history: over a period of several decades, destruction descended upon key cities throughout the Eastern Mediterranean, bringing to an end the Levantine, Hittite, Trojan, and Mycenaean kingdoms and plunging some lands into a dark age that would last more than four hundred years. In his attempt to account for this destruction, Robert Drews rejects the traditional explanations and proposes an intriguing new explanation in their place.

"Unusually sophisticated. . . . Well argued and learned."

—A. M. Snodgrass, *The Times Literary Supplement*

Now in paper: £10.95 ISBN 0-691-02591-6

The Therapy of Desire

Theory and Practice in Hellenistic Ethics

Martha C. Nussbaum

"By turns wise and witty, silly and Socratic, critical and compassionate, Nussbaum proves to be an extraordinarily addictive literary companion. . . ."

—Peter Green, *The New Republic*

"Nussbaum adventurously straddles boundaries conventionally drawn between philosophy and its own history, between philosophy and literature, and between scholarship and the social sciences. . . .

Few modern books have done as much as this one promises to do in raising the profile of Hellenistic philosophy. It is constantly gripping and absorbing, written with rare eloquence and containing long stretches of almost lyrical intensity. A literary as well as a philosophical *tour de force*."

—David Sedley, *The Times Literary Supplement*

The Martin Classical Lectures

Now in paper: £12.95 ISBN 0-691-00052-2

Whom Gods Destroy

Elements of Greek and Tragic Madness

Ruth Padel

"To re-create the contexts in which the Greeks viewed madness, Padel ranges widely, drawing on the medical literature, Homer, Pindar and their scholiasts, epigraphic material, magic and religion, regional and cultural differences. . . . Her re-creation of Greek linguistic categories and cultural norms gives *Whom Gods Destroy* a sound historical base. A well-informed and helpful book."

—Brian Vickers, *The Times Literary Supplement*

"A lively and provocative book. An attraction of *Whom Gods Destroy* is its breadth of reference, expanding beyond the Greeks to more recent times."—Richard Jenkyns, *The [London] Times*

"A various, wide-ranging book. . . . The ideas are suggestive and tantalizing."

—Jasper Griffin, *The Spectator*

Now in paper: £9.95 ISBN 0-691-02588-6

PEDERASTY AND PEDAGOGY IN ARCHAIC GREECE

WILLIAM ARMSTRONG PERCY, III

"A major contribution to the scholarship on Greek homosexuality." — Beert C. Verstraete, Acadia University

Combining impeccable scholarship with accessible, straightforward prose, *Pederasty and Pedagogy in Archaic Greece* argues that institutionalized pederasty began after 650 B.C., far later than previous authors have thought, and was initiated as a means of stemming overpopulation in the upper class.

William Armstrong Percy III maintains that Cretan sages established a system under which a young warrior in his early twenties took a teenager of his own aristocratic background as a beloved until the age of thirty, when service to the state required the older partner to marry. These pederastic bonds, Percy believes, were responsible for the rise of Hellas and the "Greek miracle": in merely two centuries the population of Attica produced an astounding number of great men who laid the enduring foundations of Western thought and civilization.

The Gymnasium of Virtue

Education and Culture in Ancient Sparta

Nigel M. Kennell

"By his meticulous attention to the ancient sources and recognition of the power of invented tradition to reshape seemingly ancient institutions, Kennell has transformed our understanding of how Sparta's much-debated system of state training evolved through antiquity."

—Antony J. S. Spawforth, University of Newcastle

Studies in the History of Greece and Rome

256 pp. \$39.95 cloth

News and Society in the Greek Polis

Sian Lewis

Sian Lewis explores the role of news and information in shaping Greek society from the sixth to the fourteenth centuries, B.C. Applying ideas from the study of modern media to her analysis of the functions of gossip, travel, messengers, inscriptions, and institutions in the polis, she demonstrates that news was a vital concern for the ancient Greeks.

Approx. 224 pp. \$45 cloth, \$16.95 paper

**MORAL CODES AND
SOCIAL STRUCTURE IN ANCIENT GREECE**

A Sociology of Greek Ethics

From Homer to the Epicureans and Stoics

Joseph M. Bryant

"This is a challenging reappraisal of major developments in Greek society between the Dark Ages and the flowering of Hellenistic culture. Historians of Greek political life and of Greek philosophy will need to think again about the relationships between social structures and philosophical ethics, between brute economic or material facts and moral ideology. Bryant makes a strong case for the pertinence of historical sociology of a broadly Weberian kind to the understanding of ancient Greek civilization. Anyone inclined to take the historical dimension of ethics seriously will welcome this detailed case study of the interactions between politics, sociology, and moral theory in classical Greek culture." —*Brad Inwood, University of Toronto*

An exercise in cultural sociology, *Moral Codes and Social Structure in Ancient Greece* seeks to explicate the dynamic currents of classical Hellenic ethics and social philosophy by situating those idea-complexes in their socio-historical and intellectual contexts. Central to this enterprise is a comprehensive historical-sociological analysis of the Polis form of social organization, which charts the evolution of its basic institutions, roles, statuses, and class relations. From the Dark Age period of "genesis" on to the Hellenistic era of "eclipse" by the emergent forces of imperial patrimonialism, Polis society promoted and sustained corresponding normative codes which mobilized and channeled the

requisite emotive commitments and cognitive judgments for functional proficiency under existing conditions of life. The aristocratic warrior-ethos canonized in the Homeric epics; the civic ideology of equality and justice espoused by reformist lawgivers and poets; the democratization of status honor and martial virtue that attended the shift to hoplite warfare; the philosophical exaltation of the Polis-citizen bond as found in the architectonic visions of Plato and Aristotle; and the subsequent retreat from civic virtues and the interiorization of value articulated by the Skeptics, Epicureans, and Stoics, new age philosophies in a world remade by Alexander's conquests—these are the key phases in the evolving currents of Hellenic moral discourse, as structurally framed by transformations within the institutional matrix of Polis society.

"This is as sociologically and culturally deep and thorough a work on ancient Greek life and thought, up through the Hellenistic period, as one can find in the literature. I found it an enjoyable, at times fascinating, work to read." —*Randall Collins, University of California, Riverside*

THE CLASSICS BOOKSHOP

3, TURL STREET, OXFORD, OX1 3DQ.

Telephone / Fax . 01865 726466.

We have the largest secondhand stock of Latin and Greek Classics in the United Kingdom. We always have a wide selection of secondhand and Antiquarian Classics on view in our shop.

The stock includes texts and commentaries, translations, general works, Archaeology, Ancient History, Philosophy and periodicals.

We usually have runs of periodicals available, although these are not kept in the shop.

We issue three catalogues a year, free in the U.K.

WE ARE ALWAYS KEEN TO BUY CLASSICS AND RELATED MATERIAL, FROM SINGLE VOLUMES TO COLLECTIONS IN THE U.K. AND ABROAD.

The Bulletin of British Byzantine Studies

The *Bulletin of British Byzantine Studies* is an essential periodical for all libraries serving Byzantinists or scholars in related fields. The *Bulletin* provides information concerning publications and research being carried out by British and international Byzantine scholars, abstracts of recent theses, announcements of conferences and seminars throughout the world, abstracts of communications delivered to the annual Byzantine Spring Symposia, short reviews and articles on current events and exhibitions, bibliographical listings and many other items. Published annually in March, the *Bulletin* can be mailed anywhere in the world.

Price of subscriptions to institutions: £15 annually in pounds sterling only

Please send cheques or write for more information to Dr M. B. Cunningham, Editor, *BBBS*, 44 Church Street, Littleover, Derby DE23 6GD.

WINNINGTON INGRAM TRAINEE LIBRARY POST

The Joint Library of the Hellenic and Roman Societies, run in conjunction with the library of the Institute of Classical Studies, is recognised as a premier international research library in Classics. Since its inception in 1953, the use of the Library has grown massively. This has sparked the need for a mission to raise £250,000 to secure the annual Library Traineeship in perpetuity. This post helps to keep the Library open six days a week, including Saturdays and evenings, thus particularly catering for readers outside London and its University.

A fund has been established in memory of Professor R.P. Winnington-Ingram, formerly President of the Hellenic Society, Director of the Institute and Professor of Greek at King's College, London, and has already attracted donations of over £170,000. If you would like to contribute to the Fund, please send your contribution to the Director, Institute of Classical Studies (Winnington-Ingram Appeal), 31-34 Gordon Square, London WC1H 0PY, UK.
