Chair & Discussant Proposals

Please type all information.

This form should be used by those interested in chairing a session that has been organized by someone else, or in serving as a discussant. Do not submit a proposal to chair a session if you are included in a full panel proposal for that session. We will assume unless informed otherwise that if you have also submitted an individual paper proposal or an organized panel proposal those are your first choice activities; submitting a proposal to be a session chair or discussant will not affect the treatment of your other proposals. Because of the APSA rule on multiple participation on a single meeting program, you will be asked to confirm your interest in serving as a session chair or discussant later in the process (late February-early March).
