MEMBERSHIP REGISTER

With the approval of the Association's Executive Committee this issue of the WPS Journal comprises a Membership Directory.

No effort has been spared in bringing the list as up-to-date as is possible, involving, as it has, closer than ever liaison between the Secretarial office and Branch Secretaries.

Records at both the Secretarial and Journal production offices can only be kept accurate through the closest possible cooperation of Members themselves and of the Branch Secretaries.

Any future changes should be notified immediately to the Member's Branch Secretary or, where no Branch exists, direct to the Association's Secretary—Dr. R. Coles, Treramleon, Bidnija, MALTA GC.

The World's Poultry Science Journal, Official Organ of the World's Poultry Science Association, is published quarterly and is sent to all members of good standing. Current Subscription to non-Members is \$10.00 (or its equivalent in other currency) per year.

All items pertaining to production, advertising and mailing should be addressed to the Journal Production Manager (Miss M. C. French), BOCM Silcock, Ltd., Risborough Road, Stoke Mandeville, Aylesbury, Bucks., HP22 5XW, England. Manuscripts and items regarding content of the Journal should be addressed to the Editor, Dr. R.
